## News and Resources

### NH Providers Association Policy Update

The Policy Committee recognizes how difficult it is for individuals and agencies to stay abreast of important legislative actions. There are many House Bills and Senate Bills coming out. This year, due to the COVID-19 Pandemic, many bills will be grouped into Omnibus Bills to expedite the legislative process. This means that the next few weeks are very important for the 2021 Legislative Session. We have identified several Policy Priority Topics that we will be keeping members up to date on as they move through the legislative process:

- Cannabis Reform
- Criminal Justice Reform as it relates to people with Substance Use Disorders

## NH Behavioral Health Job Board

The **NHPA JOB BOARD** exclusively serves those representing behavioral health service providers in NH and is promoted to over 3,000 professionals across the state and beyond.

### Recent Listings include:

- PHP MLADC, Elliot Hospital - Manchester, NH
- Experienced Substance Use Disorder Therapist, Foundation Medical Partners - Nashua, NH
- ACT Therapist, Seacoast Mental Health Center, Inc. - Portsmouth, NH
- Residential Counselor, Seacoast Mental Health Center, Inc. - Portsmouth, NH

**Regular listings are currently free for NHPA organizational members!**

The NHPA has added a **POLICY PRIORITIES** page on our website so that you can keep abreast of our current legislative work. Members will receive weekly updates regarding time-sensitive updates on bills, hearings, and our position on key issues that impact our members.

## NH STATE SENATE PUBLIC GUIDANCE FOR REMOTE COMMITTEE MEETINGS

We are happy to inform you that it is now very easy to weigh in on state bills through Zoom and an online sign-in sheet. We are including a link below that will take you to the NH Legislature website to sign in, in favor or in opposition to a bill, speak during a public hearing on a bill, or submit a letter regarding a bill.

To sign in to speak on a bill or to simply register support or opposition, you will utilize the newly created calendar sign-in form located on the general court website available here: <http://gencourt.state.nh.us/remotecommittee/senate.aspx>

## BUILDING FUTURES TOGETHER NH

Building Futures Together is a training opportunity for paraprofessionals interested in helping children, youth, and families. This program is designed to prepare paraprofessionals in healthcare and school settings to provide specialized enhanced care coordination to children, youth, and their caregivers impacted by opioid use disorders (OUD) and other substance use disorders (SUD).

**Training for the second cohort will begin in Fall 2021**

## METHAMPHETAMINE USE DISORDER BREAKTHROUGH, NEW HHS GUIDELINES FOR BUPRENORPHINE

Last week, the New England Journal of Medicine released a **randomized control trial (RCT) study** on the use of bupropion and naltrexone for the treatment of methamphetamine use disorder (MUD). Among the 403 study participants, nearly 14% of those who took the combination presented mostly drug-free urine samples. Currently, there are no medications on the market to treat methamphetamine use disorder treatment, making the results of the study extremely promising. Also last week, HHS **announced new guidelines** allowing physicians to more easily prescribe the opioid addiction treatment buprenorphine to patients. Now, any physician can prescribe buprenorphine (any formulary) to a

person with an opioid use disorder (OUD). The prescribing cap for non-waivered physicians is 30 patients unless they are in a hospital setting.

## **SURVEY FOR COMMUNITY RESPONSE GUIDE**

Evident Change, DCYF, community partners, advocates, parents, and Casey Family Programs are conducting a survey to gather information to inform the development of a community response guide. What Is a Community Response Guide? The community response guide will be a web-based tool that can be used by individuals who are worried about a child or a family. The tool will guide users on how to respond to the concern, such as making a report to DCYF or connecting the family to community supports.

**Please take the survey to help ensure that all voices of the community are heard in creating the guide. Deadline to complete is February 28, 2021.**

## **RELEASED: "INFORMING THE CONVERSATION - COVERING THE CARE"**

The Institute for Health Policy and Practice is pleased to release another installment of its "Informing the Conversation – Covering the Care" data and policy brief series. Health Insurance Coverage in New Hampshire | 2020 Update provides an overview of the health insurance landscape in New Hampshire, as well as updated policy explanations for shifts and changes in access. The brief highlights demographic details, including a break down of health insurance coverage types by age, county, and income. This year's brief also includes a special focus on premiums and deductibles in the commercial health plan market in NH.
